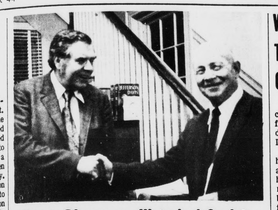
Group Discusses Historical Society



(At left): Dr. M. W. Williamson, writer and professor of history, Lynchburg College and (right) Calvin H. Robinson, historian, writer and retired editor-publisher, Times-Virginia at Monday's meeting of persons interested in history.

More than fifty persons interested in Appomattox County history were present Monday evening at the Appomattox County library to talk about the organization of an historical society. The meeting included members of the Appomattox Women's Club as a part of their regular meeting night.

Calvin H. Robinson, retired editor-publisher of the Times-Virginian of Appomattox and Stuart McD. Parrar, of Pamplin, were among the speakers. Mr. Robinson reviewed the long history of Appomattox and its importance as a national shrine.

Mr. Robinson also announced that a sizeable collection of relics pertaining to famed banjo player Joel W. Sweeney is being given to Mr. Robinson by Mrs. G. W. Collins, of Pensacola, Florida, widow of Col. Collins, who did much to preserve items belonging to Joel Sweeney, banjo player and well known minstrel of the middle 1800's.

A charter member list was circulated among the men and women present, looking forward to a time when an historical society can be formed.

Out-of-town visitors included Dr. and Mrs. M. W. Williamson, Dr. Roberta Cornelius, Miss Lida Holt, Miss Vera Rhomas and her sister-in-law, Mrs. Thomas, all of Lynchburg.

P-TA To Meet

The Appomattox Intermediate School P-TA will meet at 8 p.m. on Tues., Nov. 9 in the school auditorium. After a brief business session, teachers will go to the classrooms where they will meet parents who are interested in visiting the rooms to become informed about school procedures and policy.

If you are completely satisfied with the school program, come and let us know. If not, come and voice your objections.

Help Offered To County Residents

Appomattox county residents and others in the counties of Bedford, Campbell, Amherst and the cities of Lynchburg and Bedford, will soon be eligible to be a part of several programs to assist persons with emotional problems or the mentally retarded.

Mrs. H. B. Pack, III, of Appomattox, reporting on a meeting held last week by the Community Mental Health and Mental Retardation Services Board of Central Virginia says that several developments by the board are of considerable interest.

A position is now open for a coordinator of mental health services to work under the Mental Health-Mental Retardation Board to develop various programs of education and help.

Mrs. Pack is a member of the recruitment committee.

The board is considering assistance with the Adult Day Care and aftercare program through Virginia Baptist Hospital which is planning to increase its psychiatric facility from 13 to 21 beds, beginning early in 1972.

Would You Like The Homecoming Game 'Football'?

Would you like the Homecoming Football "game ball" for a keepsake or to have it to do with whatever you so desire? It could be yours!

Through the co-operation of head coach, Jerry Robinson, and his staff, the "game ball" has been donated to the Appomattox County Rescue Squad to be used in an effort to raise funds for their Canteen Fund which is completely down to a zero balance.

Friday, November 5th, is Homecoming at Appomattox County High School. Festivities begin with a parade in the afternoon, followed by the kick-off of its Homecoming Football game at Bragg Stadium at 8 p.m. when the mighty Raiders take on a strong team from Altavista High School and ending with a Homecoming Dance in the Gym from 10 to 12 p.m. sponsored by the senior class.

By 7:00 p.m., members of the Appomattox County Rescue Squad will be stationed inside the gate and throughout the stadium offering chances on the "game ball" for a donation of 25¢ each or 5 chances for one dollar. All three of the Rescue Squad vehicles will be participating in the parade and will be on stand-by throughout the game and tickets can be obtained at any of the three vehicles, incidently, if you have not seen the new SWAB Ambulance, you are invited to do so Friday night.

Money for the ACRS Canteen Fund has, in the past, been earned by the members of the Squad by having bake sales, selling food at Auction Sales and various other money making projects. Money from this Fund is used for kitchen supplies (coffee and such), for flowers or gifts sent to hospitalized crew members, for a dinner once a year for the members at the Installation of Officers meeting and for several needed items not bought with money from the General Fund. Your support in this project will be appreciated.

Thanks to Coach Robinson and all those at Appomattox County High School who have made this possible. Bring with you some extra change . . . who knows, you may be the lucky one who takes home the prized "game ball". Drawing will take place just after the half-time activities.

Evaluation Day

Students will not attend public schools in Appomattox county on Friday, Nov. 5. This will be an evaluation day for teachers.

See you there!

Thank You From Your Rescue Squad

We, the members of the Appomattox County Rescue Squad, would like to thank you, the citizens of Appomattox County and others, for your help and support of this year's Annual Drive. A special thanks to the Times-Virginian for the excellent publicity, to all the churches for notices in their bulletins, to members of the Furitan Clubs and other organizations for their personal help.

Our Annual Fund Driv officially began October 1, 1971, with a goal set at $10,000. Over a week ago, we not only reached the goal – but have exceeded it by several hundred dollars. Each year, we are growing and with the help and backing of our wonderful citizens, we can continue to grow in order that we may continually give you the best service and care that is available.

If, during the Fund Drive, you were not contacted for a contribution and would like to support our Rescue Squad, please mail in your donation to the APPOMATTOX COUNTY RESCUE SQUAD, Appomattox, Va. Even though we have reached our goal, who can tell what the future may bring forth . . . and as always, we want to be prepared for action at all times. All monies donated to the Appomattox County Rescue Squad go explicitly for the maintainance of our three vehicles, the purchase of first aid supplies and for the purchase of oxygen which is so vitally needed in so many of our calls. Any equipment needed in the vehicles comes from this fund also – with the exception of various pieces of equipment donated by several of our local civic organizations. Not one penny of this fund is used for the personal use of any member of the Rescue Squad.

It is the hope of our Squad, that in the near future, we will be taking a 72 hour course in advanced First Aid to be taught by a medical doctor and that this will enable us to give even more efficient service to our people than ever before.

Sometimes, when you are comfortably settled in front of your TV, very interested in one of your favorite programs, or have just sat down for a delicious dinner, or when the phone rings in the middle of the night, it is right hard to say "yes" when a rescue call comes in... but knowing that the people of our County are 100% behind us makes all the difference. We are always ready to GO!

Country Store Open Weekends

During November and December the Meeks Country Store at Appomattox Court House National Historical Park will be open on week ends. During January and February the Store will be open on Sunday afternoons only.

The Meeks Store was typical of the Virginia general stores of the 1860's. It has been restored by the National Park Service as a part of the historic village of Appomattox Court House where the Civil War ended over 100 years ago. Visitors may enter the front part of the Store to see or buy goods reminiscent of the 1860's. During operating hours, costumed personnel are available to answer visitors' questions. The back portion of the store is furnished with period items.
